International Surgery

Official Journal of the International College of Surgeons

QUARTERLY REVIEW

INDEX - Volume 74, 1989

SUBJECTS

Abdominal aortic aneurysm
Successful management of ruptured mycotic abdominal aortic aneurysm in a child 161

Abdominal exploration
Peritoneal lavage after abdominal trauma: indications, technique, results 17

Abdominal trauma
Peritoneal lavage after abdominal trauma: indications, technique, results 17
Traumatic rupture of the diaphragm. Review of 62 successive cases 88

Acute pancreatitis
Experimental acute pancreatitis in rats after chronic and chronic plus acute ethanol administration in combination with a pancreatic juice enema 77
Peripancreatic vascular occlusions as a complication of pancreatitis 36
Results of surgical treatment for acute pancreatitis 211

Ampicillin
Prophylaxis against post-appendicectomy wound infection. A controlled trial of intravenous (I.V.) metronidazole versus I.V. metronidazole-ampicillin-gentamicin 129

Anal fistulas
Anal fistulas with recess above the anal levators 267

Anal levators
Anal fistulas with recess above the anal levators 267

Anal prolapse
Cryosurgical treatment of hemorrhoids in Japan 146

Anorectal office procedure
Ligation and cryosurgery of all hemorrhoids. An office procedure 148

Antegrade colonic obstruction
Giant pseudopolyposis causing antegrade colonic obstruction 40

Antro-ethmosphenoidectomy
Antro-ethmosphenoidectomy 58

Anuitis
Ligation and cryosurgery of all hemorrhoids. An office procedure 148

Appendicectomy
Prophylactic appendicectomy during elective cholecystectomy: effects on morbidity. A prospective controlled study 32
Prophylaxis against post-appendicectomy wound infection. A controlled trial of intravenous (I.V.) metronidazole versus I.V. metronidazole-ampicillin-gentamicin 129
Small bowel obstruction and its management . 23

Appendix, carcinoid
Goblet cell carcinoid of the appendix 109

Arrhythmias
Cardiac arrhythmias following lung resection in patients treated and untreated with digitalis prophylaxis 133

Barium enema examinations
Perforations of the extraperitoneal rectum during barium enema 13

Bile composition
Cholesterol crystals in biliary microlythiasis .. 104

Bile stasis
The relationship between a subcutaneously placed afferent jejunal loop in a hepaticojejunostomy and postoperative cholangitis 167

Biliary fistulas
Treatment of biliary fistulas and cholelithiasis: is endoscopic sphincterotomy acceptable in the paediatric age group? 51

Biliary microlithiasis
Cholesterol crystals in biliary microlithiasis ... 104

Biliary pancreatitis
Results of surgical treatment for acute pancreatitis 211

Biliary stones
Treatment of biliary fistulas and cholelithiasis: is endoscopic sphincterotomy acceptable in the paediatric age group? 51

Biliary surgery
Combined colonic and biliary surgery: assessment of risk in elderly patients 244

Biliary tract diseases
Cholesterol crystals in biliary microlithiasis ... 104

Bladder extrophy
Bilateral transverse iliac osteotomy in the correction of neonatal bladder extrophy..... 123

Bone metastasis
Human chorionic gonadotropin in gastric carcinoma. A useful marker for bone metastasis .. 84

Bowel disease
Giant pseudopolyposis causing antegrade colonic obstruction 40

Breast cancer
Breast cancer and regional lymph node dissections 180
The prognosis of patients who become pregnant after mastectomy for breast cancer 185

Cancer, gastric
Experience with the EEA stapler for esophagojejunostomy 73
Human chorionic gonadotropin in gastric carcinoma. A useful marker for bone metastasis .. 84

Cancer, upper stomach
A biomedical study on esophageal invasion of carcinoma of the upper stomach. Part I: Determination of occurring point of the cancer and analysis of its horizontal extension 219

Carcinoembryonic antigen (CEA)
Human chorionic gonadotropin in gastric carcinoma. A useful marker for bone metastasis 84
Prognostic factors in colorectal carcinoma: significance of peripheral T-lymphocytes 232

Carcinoid
Goblet cell carcinoid of the appendix 109
Minute gastric carcinoid tumor with regional lymph node metastasis 198

Cardiac arrhythmias
Cardiac arrhythmias following lung resection in patients treated and untreated with digitalis prophylaxis 133

Cardiac complications
Cardiac arrhythmias following lung resection in patients treated and untreated with digitalis prophylaxis 133

Central venous catheter
New tunneler for inserting long-term central venous catheters 43

Cholangiocarcinoma
Cholangiocarcinoma in sclerosing cholangitis. The role of liver transplantation 1

Cholangitis
The relationship between a subcutaneously placed afferent jejunal loop in a hepaticojejunostomy and postoperative cholangitis 167

Cholecystectomy
Prophylactic appendicectomy during elective cholecystectomy: effects on morbidity. A prospective controlled study 32

Choledochojejunostomy
The relationship between a subcutaneously placed afferent jejunal loop in a hepaticojejunostomy and postoperative cholangitis 167

Cholelithiasis
Treatment of biliary fistulas and cholelithiasis: is endoscopic sphincterotomy acceptable in the paediatric age group? 51

Cholesterol crystals
Cholesterol crystals in biliary microlithiasis ... 104

Chronic pancreatitis
Peripancreatic vascular occlusions as a complication of pancreatitis 36

Colonic obstruction
Giant pseudopolyposis causing antegrade colonic obstruction 40

Colonic surgery
Combined colonic and biliary surgery: assessment of risk in elderly patients 244

Colorectal cancer
Colorectal cancer in young patients 240
Prognostic factors in colorectal carcinoma: significance of peripheral T-lymphocytes 232

Colorectal surgery
Small bowel obstruction and its management . 23

Cryohemorrhoidectomy
Cryosurgical treatment of hemorrhoids in Japan 146

Cryoimmunology
Cryosurgical treatment of hemorrhoids in Japan 146

Cryosurgery
Cryosurgical treatment of hemorrhoids in Japan 146
Ligation and cryosurgery of all hemorrhoids. An office procedure 148

Destructive operation
Destructive operation in obstetric practice in Nigeria 64

Diaphragm rupture
Traumatic rupture of the diaphragm. Review of 62 successive cases 88

Digitalis prophylaxis
Cardiac arrhythmias following lung resections in patients treated and untreated with digitalis prophylaxis 133

Duodenal ulcer
Serum pepsinogen before and after proximal gastric vagotomy in duodenal ulcer treatment . 229

Elderly patients
Combined colonic and biliary surgery: assessment of risk in elderly patients 244
Hip fractures in the elderly: mortality, functional results and social readaptation 191
Multifactorial analysis of prognostic factors in emergency abdominal surgery in patients above 80 years. Analysis of 154 consecutive cases 93

Emergency surgery
Multifactorial analysis of prognostic factors in emergency abdominal surgery in patients above 80 years. Analysis of 154 consecutive cases 93

Empyema thoracis
Empyema thoracis in Nigerians: Experience with a policy of conservative operative management 247

Endoscopic sphincterotomy
Treatment of biliary fistulas and cholelithiasis: is endoscopic sphincterotomy acceptable in the paediatric age group? 51

Esophageal anastomoses
Four hundred esophageal anastomoses with a stapler 69

Esophageal neoplasms, metastatic
Metastatic mixed mullerian tumor of the esophagus 195

Esophagectomy with esophagogastrostomy
Gastroatrial fistula following esophagectomy with esophagogastrostomy 107

Esophagojejunostomy
Experience with the EEA stapler for esophagojejunostomy 73

Esophagus
Four hundred esophageal anastomoses with a stapler 69

Esophagus, carcinoma
Gastroatrial fistula following esophagectomy with esophagogastrostomy 107

Ethanol uptake
Experimental acute pancreatitis in rats after chronic and chronic plus acute ethanol administration in combination with a pancreatic juice enema 77

Exogenous insulin
Inhibitory effects of exogenous insulin on oxidative utilization of glucose in septic rats 81

Fat necrosis
Experimental acute pancreatitis in rats after chronic and chronic plus acute ethanol administration in combination with a pancreatic juice enema 77

Femoral hernias
Femoral hernias: primary versus recurrence ... 99

Fissure
Hemorrhoidectomy: Hospital Leopold Bellan procedure 152

Fractures of the humerus
Open reduction and internal fixation of displaced supracondylar fractures of the humerus ... 119

Gallbladder, physiopathology
Cholesterol crystals in biliary microlithiasis ... 104

Gastrectomy, total
Experience with the EEA stapler for esophagojejunostomy 73

Gastric cancer
Experience with the EEA stapler for esophagojejunostomy 73
Human chorionic gonadotropin in gastric carcinoma. A useful marker for bone metastasis 84

Gastric cancer, occurring point
A biomedical study on esophageal invasion of carcinoma of the upper stomach. Part I: Determination of occurring point of the cancer and analysis of its horizontal extension 219

Gastric cardia, carcinoma
Transabdominal operation for carcinoma of the gastric cardia: application of publing-up retractor and EEA stapler 223

Gastroatrial fistula
Gastroatrial fistula following esophagectomy with esophagogastrostomy 107

Generalised peritonitis
Postoperative peritoneal lavage in generalised peritonitis. A prospective analysis 20

Gentamicin
Prophylaxis against post-appendicectomy wound infection. A controlled trial of intravenous (I.V.) metronidazole versus I.V. metronidazole-ampicillin-gentamicin 129

Giant pseudopolyposis
Giant pseudopolyposis causing antegrade colonic obstruction 40

Glioblastoma multiforme
Turcot syndrome: report of a case and review of the literature 45

Glucose oxidation
Inhibitory effects of exogenous insulin on oxidative utilization of glucose in septic rats 81

Goblet cell carcinoid
Goblet cell carcinoid of the appendix 109

hCG
Human chorionic gonadotropin in gastric carcinoma. A useful marker for bone metastasis .. 84

Hemithyroidectomy
Hürthle cell neoplasm 97

Hemodialysis, maintenance
Maintenance hemodialysis poses few limitations for liver surgery 101

Hemoperitoneum
Peritoneal lavage after abdominal trauma: indications, technique, results 17

Hemorrhoidectomy
Hemorrhoidectomy according to Milligan-Morgan: ligature and excision technique 158
Hemorrhoidectomy: Hospital Leopold Bellan procedure 152
Ligation and cryosurgery of all hemorrhoids. An office procedure 148
Treatment of haemorrhoids at the Moscow Research Institute of Proctology 7
Total circular hemorrhoidectomy 154

Hemorrhoids
Cryosurgical treatment of hemorrhoids in Japan 146
Infrared-photo-coagulation for hemorrhoids treatment 142
Update on hemorrhoids 139

Hemorrhoids, conservative treatment
Treatment of haemorrhoids at the Moscow Research Institute of Proctology 7

Hemorrhoids, digital dilatation
Digital dilatation for hemorrhoids treatment .. 144

Hemorrhoids, infrared-coagulation
Infrared-photo-coagulation for hemorrhoids treatment 142

Hemorrhoids, ligation
Hemorrhoidectomy according to Milligan-Morgan: ligature and excision technique 158
Ligation and cryosurgery of all hemorrhoids. An office procedure 148

Hemorrhoids, rubberband ligature
Infrared-photo-coagulation for hemorrhoids treatment 142

Hemorrhoids, sclerosing injections
Infrared-photo-coagulation for hemorrhoids treatment 142

Hepatectomy
Maintenance hemodialysis poses few limitations for liver surgery 101

Hepatic abscess
Hepatic intraarterial antibiotic therapy for resistant hepatic abscesses 171

Hepatic artery
Peripancreatic vascular occlusions as a complication of pancreatitis 36

Hepaticojejunostomy
The relationship between a subcutaneously placed afferent jejunal loop in a hepaticojejunostomy and postoperative cholangitis 167

Hepatobiliary scintiscanning
The relationship between a subcutaneously placed afferent jejunal loop in a hepaticojejunostomy and postoperative cholangitis 167

Hernias, femoral
Femoral hernias: primary versus recurrence ... 99

Herniorrhaphies, femoral
Femoral hernias: primary versus recurrence ... 99

High risk obstetric patients
The effect of hysteroscopy on the incidence of meconium aspiration in high risk obstetric patients 188

Hip fractures in the elderly
Hip fractures in the elderly: mortality, functional results and social readaptation 191

Hospital based study
Destructive operation in obstetric practice in Nigeria 64

Human chorionic gonadotropin
Human chorionic gonadotropin in gastric carcinoma. A useful marker for bone metastasis 84

Humerus, fractures
Open reduction and internal fixation of displaced supracondylar fractures of the humerus ... 119

Hürthle cell lesion
Hürthle cell lesions in thyroid neoplasm 261

Hürthle cell neoplasm
Hürthle cell neoplasm 97

Hydrochloric-peptic secretion
Serum pepsinogen before and after proximal gastric vagotomy in duodenal ulcer treatment . 229

Hydrostatic barium enema reduction
Intussusception in infancy and childhood. Analysis of 385 cases 114

Hysteroscopy
The effect of hysteroscopy on the incidence of meconium aspiration in high risk obstetric patients 188

Implantable pump
Hepatic intraarterial antibiotic therapy for resistant hepatic abscesses 171

Incidental appendicectomy
Prophylactic appendicectomy during elective cholecystectomy: effects on morbidity. A prospective controlled study 32

Inflammatory bowel disease
Giant pseudopolyposis causing antegrade colonic obstruction 40

Infusions, intraarterial
Hepatic intraarterial antibiotic therapy for resistant hepatic abscesses 171

Insulin
Inhibitory effects of exogenous insulin on oxidative utilization of glucose in septic rats 81

Intestinal obstruction
Intussusception in infancy and childhood. Analysis of 385 cases 114

Intraabdominal mass
Mesenteric panniculitis of the mesoappendix .. 201

Intrabiliary rupture of hydatid cyst
Obstructive jaundice secondary to intra-biliary rupture of hepatic hydatid cyst 4

Intussusception
Intussusception in infancy and childhood. Analysis of 385 cases 114

Ischemia
Experimental acute pancreatitis in rats after chronic and chronic plus acute ethanol administration in combination with a pancreatic juice enema 77

Isthmusectomy
Hürthle cell neoplasm 97

Jejunal loop pexis
The relationship between a subcutaneously placed afferent jejunal loop in a hepaticojejunostomy and postoperative cholangitis 167

Left renal vein
Peripancreatic vascular occlusions as a complication of pancreatitis 36

Liver cirrhosis
Sclerotherapy superior to surgery for longer survival and less rebleeding in 103 cirrhotics with variceal bleeding 162

Liver hydatid cyst
Obstructive jaundice secondary to intra-biliary rupture of hepatic hydatid cyst 4

Liver surgery
Maintenance hemodialysis poses few limitations for liver surgery 101

Liver transplantation
Cholangiocarcinoma in sclerosing cholangitis. The role of liver transplantation 1

Low molecular weight heparin
Prophylaxis of fatal pulmonary embolism in general surgery using low-molecular weight heparin Cy-216: a multicentre, double blind, randomized, controlled, clinical trial versus placebo (STEP) 205

Lower digestive tract hemorrhage
Cryosurgical treatment of hemorrhoids in Japan 146

Lung cancer
Superior pulmonary sulcus tumors: radical resection and palliative treatment 175

Lung resection
Cardiac arrhythmias following lung resection in patients treated and untreated with digitalis prophylaxis 133

Lymph node dissection, regional
Breast cancer and regional lymph node dissections 180

Male sterility
Microsurgical treatment of varicocele 253

Mastectomy
The prognosis of patients who become pregnant after mastectomy for breast cancer 185

Meconium aspiration
The effect of hysteroscopy on the incidence of meconium aspiration in high risk obstetric patients 188

Mesenteric artery
Peripancreatic vascular occlusions as a complications of pancreatitis 36

Mesenteric cysts
Retroperitoneal mesenteric cysts 28

Mesenteric panniculitis
Mesenteric panniculitis of the mesoappendix .. 201

Mesoappendix
Mesenteric panniculitis of the mesoappendix .. 201

Metronidazole
Prophylaxis against post-appendicectomy wound infection. A controlled trial of intravenous (I.V.) metronidazole versus I.V. metronidazole-ampicillin-gentamicin 129

Microlithiasis, biliary
Cholesterol crystals in biliary microlithiasis ... 104

Microsurgery
Microsugical treatment of varicocele 253

Milligan-Morgan technique
Hemorrhoidectomy according to Milligan-Morgan: ligature and excision technique 158
Hemorrhoidectomy: Hospital Leopold Bellan procedure 152

Minute gastric carcinoid tumor
Minute gastric carcinoid tumor with regional lymph node metastasis 198

Mixed mullerian tumor
Metastatic mixed mullerian tumor of the esophagus 195

MOF
Traumatic rupture of the diaphragm. Review of 62 successive cases 88

Moscow Research Institute of Proctology
Treatment of haemorrhoids at the Moscow Research Institute of Proctology 7

Multiple organ failure
Traumatic rupture of the diaphragm. Review of 62 successive cases 88

Mycotic abdominal aortic aneurysm
Successful management od ruptured mycotic abdominal aortic aneurysm in a child 61

Myositis, infectious retroperitoneal
Retroperitoneal infectious myositis 126

Nigeria
Empyema thoracis in Nigerians: Experience with a policy of conservative operative management 247

Obstetric practice
Destructive operation in obstetric practice in Nigeria 64

Obstruction, intestinal
Intussusception in infancy and childhood. Analysis of 385 cases 114

Obstructive jaundice
Obstructive jaundice secondary to intra-biliary rupture of hepatic hydatic cyst 4

Omental cysts
Retroperitoneal mesenteric cysts 28

Osteotomy, bilateral transverse iliac
Bilateral transverse iliac osteotomy in the correction of neonatal bladder extrophy 123

Ovarian carcinoma
Rectosigmoid resections without colostomy during primary cytoreductive surgery for ovarian carcinoma 10

Ovarian neoplasm surgery
Rectosigmoid resection without colostomy during primary cytoreductive surgery for ovarian carcinoma 10

Pancoast syndrome
Superior pulmonary sulcus tumors: radical resection and palliative treatment 175

Pancreatic juice enema
Experimental acute pancreatitis in rats after chronic and chronic plus acute ethanol administration in combination with a pancreatic juice enema 77

Pancreatitis
Peripancreatic vascular occlusions as a complication of pancreatitis 36
Results of surgical treatment for acute pancreatitis 211

Pancreatitis, acute
Experimental acute pancreatitis in rats after chronic and chronic plus acute ethanol administration in combination with a pancreatic juice enema 77

Para-anal lesions
Ligation and cryosurgery of all hemorrhoids. An office procedure 148
Total circular hemorrhoidectomy 154

Paranasal sinus surgery
Antro-ethmosphenoidectomy 58

Parenteral nutrition
Inhibitory effects of exogenous insulin an oxidative utilization of glucose in septic rats 81

Pepsinogen
Serum pepsinogen before and after proximal gastric vagotomy in duodenal ulcer treatment . 229

Perforation of colon
Perforations of the extraperitoneal rectum during barium enema 13

Perforation of rectum
Perforations of the extraperitoneal rectum during barium enema 13

Peripancreatic vascular occlusion
Peripancreatic vascular occlusions as a complication of pancreatitis 36

Peritoneal lavage
Peritoneal lavage after abdominal trauma: indications, technique, results 17
Postoperative peritoneal lavage in generalised peritonitis, a prospective analysis 20

Peritonitis
Postoperative peritoneal lavage in generalised peritonitis, a prospective analysis 20

Polyglactin mesh
Prevention of postoperative wound dehiscence in hign risk patients. A randomized comparison of internally applied resorbable polyglactin 910 mesh and externally applied polyamide fiber mesh 55

Polyposis coli
Turcot syndrome: report of a case and review of the literature 45

Portal vein
Peripancreatic vascular occlusions as a complication of pancreatitis 36

Postoperative sepsis
Prophylactic appendicectomy during elective cholecystectomy: effects on morbidity. A prospective controlled study 32

Postoperative wound dehiscence
Prevention of postoperative wound dehiscence in hign risk patients. A randomized comparison of internally applied resorbable polyglactin 910 mesh and externally applied polyamide fiber mesh 55

Pregnancy
The prognosis of patients who become pregnant after mastectomy for breast cancer 185

Prophylactic appendicectomy
Prophylactic appendicectomy during elective cholecystectomy: effects o morbidity. A prospective controlled study 32

Prophylaxis wound infection
Prophylaxis against post-appendicectomy wound infection. A controlled trial of intravenous (I.V.) metronidazole versus I. V. metronidazole-ampicillin-gentamicin 129

Proximal gastric vagotomy
Serum pepsinogen before and after proximal gastric vagotomy in duodenal ulcer treatment . 229

Pseudopolyposis
Giant pseudopolyposis causing antegrade colonic obstruction 40

Pulling-up retractor
Transabdominal operation for carcinoma of the gastric cardia: application of publing-up retractor and EEA stapler 223

Pulmonary embolism
Prophylaxis of fatal pulmonary embolism in general surgery using low-molecular weight heparin Cy-216: a multicentre, double blind, randomized, controlled, clinical trial versus placebo (STEP) 205

Rats, septic
Inhibitory effects of exogenous insulin an oxidative utilization of glucose in septic rats 81

Recess above the anal levators
Anal fistulas with recess above the anal levators 267

Rectal cancer
Local recurrence of rectal cancer: anterior resection versus abdomino-perineal resection ... 111

Rectosigmoid intestinal resection
Rectosigmoid resection without colostomy during primary cytoreductive surgery for ovarian carcinoma 10

Recurrent ulcer
Serum pepsinogen before and after proximal gastric vagotomy in duodenal ulcer treatment . 229

Regional lymph node metastases
Breast cancer and regional lymph node dissections 180

Rehabilitation therapy
Hip fractures in the elderly: mortality functional results and social readaptation 191

Retroperitoneal cysts
Retroperitoneal mesenteric cysts 28

Retroperitoneal infectious myositis
Retroperitoneal infectious myositis 126

Rupture of spleen
Peritoneal lavage after abdominal trauma: indications, technique, results 17

Ruptured mycotic abdominal aortic aneurysm
Successful management of ruptured mycotic abdominal aortic aneurysm in a child 61

Sclerosing cholangitis
Cholangiocarcinoma in sclerosing cholangitis. The role of liver transplantation 1

Sclerotherapy
Sclerotherapy superior to surgery for longer survival and less rebleeding in 103 cirrhosis with variceal bleeding 162

Sepsis, postoperative
Prophylactic appendicectomy during elective cholecystectomy: effects on morbitidy. A prospective controlled study 32

Septic rats
Inhibitory effects of exogenous insulin an oxidative utilization of glucose in septic rats 81

Serum pepsinogen
Serum pepsinogen before and after proximal gastric vagotomy in duodenale ulcer treatment 229

Shoulder instability
Recurrent posterior instability of the shoulder 257

Small bowel obstruction
Small bowel obstruction and its management . 23

Sphincterotomy
Treatment of biliary fistulas ans cholelithiasis: is endoscopic sphincterotomy acceptable in the paediatric age group? 51

Splenic vein
Peripancreatic vascular occlusions as a complications of pancreatitis 36

Stapler, EEA
Experience with the EEA stapler for esophagojejunostomy 73
Four hundred esophageal anastomoses with a stapler 69
Transabdominal operation for carcinoma of the gastric cardia: application of publing-up retractor and EEA stapler 223

Stomach
A biomedical study on esophageal invasion of carcinoma of the upper stomach. Part I: Determination of occurring point of the cancer and analysis of its horizontal extension 219

Stomach carcinoid, metastasis
Minute gastric carcinoid tumor with regional lymph node metastasis 198

Superior pulmonary sulcus tumors
Superior pulmonary sulcus tumors: radical resection and palliative treatment 175

Surgery in the aged
Multifactorial analysis of prognostic factors in emergency abdominal surgery in patients above 80 years. Analysis of 154 consecutive cases 93

Surgical emergency in pediatry
Intussusception in infancy and childhood. Analysis of 385 cases 114

Surgical instrumentation
New tunneler for inserting long-term central venous catheter 43

Surgical teams
Surgical teams: a project for the future 137

Thoracic trauma
Traumatic rupture of the diaphragm. Review of 62 successive cases 88

Thoracic surgery
Cardiac arrhytmias following lung resection in patients treated and untreated with digitalis prophylaxis 133

Thromboembolism
Prophylaxis of fatal pulmonary embolism in general surgery using low-molecular weight heparin Cy-216: a multicentre, double blind, randomized, controlled, clinical trial versus placebo (STEP) 205

Thyroid neoplasm
Hürthle cell lesions in thyroid neoplasm 261

T-lymphocytes, peripheral
Prognostic factors in colorectal carcinoma: significance of peripheral T-lymphocytes 232

Total gastrectomy
Experience with thee EEA stapler for esophagojejunostomy 73

Trans-antral
Antro-ethmosphenoidectomy 58

Trans-sphenoidal
Antro-ethmosphenoidectomy 58

Trauma
Peritoneal lavage after abdominal trauma: indications, technique, results 17
Traumatic rupture of the diaphragm. Review of 62 successive cases 88

Tube thoracostomy
Empyema thoracis in Nigerians: Experience with a policy of conservative operative management 247

Tunneler, subcutaneous
New tunneler for inserting long-term central venous catheters 43

Turcot syndrome
Turcot syndrome: report of a case and review of the literature 45

Variceal bleeding
Sclerotherapy superior to surgery for longer survival and less rebleeding in 103 cirrhosis with variceal bleeding 162

Varicocele
Microsurgical treatment of varicocele 253

Whitehead operation
Total circular hemorrhoidectomy 154

Wound dehiscence
Prevention of postoperative wound dehiscence in hign risk patients. A randomized comparison of internally applied resorbable polyglactin 910 mesh and externally applied polyamide fiber mesh 55

Wound infection
Prophylaxis against post-appendicectomy wound infection. A controlled trial of intravenous (I.V.) metronidazole versus I.V. metronidazole-ampicillin-gentamicin 129

Young patients
Colorectal cancer in young patients 240
